PROFESSIONAL SUMMARY

Full-Stack Web Developer experienced in building scalable web applications, real-time communication systems, and modern responsive interfaces. Hands-on experience with Next.js, Node.js, Nest.js, TypeScript, WebRTC, Socket.io, RESTful APIs, PostgreSQL/MySQL, and Tailwind CSS. Experience includes live-streaming, e-commerce, and enterprise-oriented applications, with a focus on maintainable code, performance, collaboration, and continuous learning.

PROFESSIONAL EXPERIENCE

Junior Executive — Pakiza Software Limited

IT / Software • Business Innovation | September 2024 – Present

- Design and develop scalable full-stack web applications using Next.js, Node.js, TypeScript, and Tailwind CSS, contributing across frontend and backend layers.
- Build and maintain real-time communication features using WebRTC and Socket.io, supporting interactive application requirements.
- Integrate and consume RESTful APIs and implement backend application logic using Node.js/Nest.js.
- Work with PostgreSQL and MySQL for application data management and database-driven features, including ORM-based development.
- Collaborate with UI/UX designers to translate requirements into modern, responsive, and user-friendly interfaces.
- Improve application performance, maintainability, and code quality by applying development best practices and testing.
- Contribute to projects involving live streaming, e-commerce, and enterprise applications, including technologies such as RTMP and HLS where required.

PROJECTS

GSocket — gsocket.vercel.app
Real-time communication/web application project.

SS QR Code — ss-qr-code.vercel.app
QR-code web application.

VMS — vms.criptonpro.com/login
Enterprise-oriented VMS application.

TECHNICAL SKILLS

Languages & Runtime — JavaScript, TypeScript, Golang, Node.js

Frontend — Next.js, React, Tailwind CSS

Backend — Nest.js, RESTful APIs, WebRTC, Socket.io

Streaming / Real-time — WebRTC, RTMP, HLS, Socket.io

Database — PostgreSQL, MySQL, MongoDB

ORM / Infrastructure — Prisma ORM, Sequelize, Nginx

EDUCATION

Bachelor/Honours in Software Engineering — American International University-Bangladesh (AIUB)
CGPA: 3.61

Higher Secondary Certificate (Science) — Milestone College, Uttara | GPA: 5.00

Secondary School Certificate (Science) — Sristy Academic School, Tangail | GPA: 5.00

LANGUAGES

Bangla: Reading — Excellent | Writing — Excellent | Speaking — Excellent

English: Reading — Good | Writing — Good | Speaking — Good
